Donna Eggen Returns to India with Glasses. In January, 2011, Donna will again travel to India with reading glasses and non-prescription sunglasses to distribute to those in need. Please help her make this a successful trip. Place your donated glasses in the designated container (cookie tin) in the foyer. If you prefer to donate money instead of purchasing the glasses yourself, Donna will gladly make the purchase. The **deadline** for your contribution is **December 15, 2010**.

Friendly Water for the World provides opportunities for Quakers and others to expand access to low-cost clean water technologies, and information about health and sanitation, to people in need of them. Scott Hayden has worked in Kenya on a similar project. A **training workshop** will be held at Quaker Cove Retreat Center, in Anacortes, **August 14 – 17**. Several brochures about the project and how to register for training can be found in the foyer. For additional information, contact Del Livingston at dslivingston@yahoo.com.

Administry Council meeting on August 4 has been cancelled due to schedule conflicts.
