

Donna Eggen cares deeply about giving back and serving a broken world. Participating in international service projects gives her immense joy.

This trip to Nepal is sponsored by Rain City Rotary Club. She will be going to give fun experiences to disabled children. They will play, do arts and crafts, and do activities they have never had the opportunity to do—like take picnics and go on boat rides.

She will be gone the last week of April through the first week of May, 2012.

### You can help!

Donna will be taking arts and crafts supplies with her.

She invites you to donate supplies by bringing them to the church.

OR

You can make a contribution for her to purchase the supplies.

Checks should be made payable to “North Seattle Friends Church” with “Nepal supplies” in the memo line.
